	Years 4-6 Monday 12:00 – 12:30 9 PLACES AVAILABLE				

Sports Leaders: Young Leader Training has started for some of our Year 5 children. Today they were visited by Lucy Smith, our Secondary School Coordinator from Northampton School for Girls. They learnt what it takes to be a leader and had the opportunity to lead and take part in a range of activities. All Year 5s will be having this training in their P.E. lessons from next term.

One of the aims of Leadership Training is to gain the confidence and enthusiasm to inspire and motivate others which is just what a group of Year 6s have been showing this term by continuing in their roles and creating their own sports club for Year 3 – Well Done!
