June Edition A 2022

To celebrate the Commonwealth Games taking place in Birmingham this summer, children had the opportunity to take part in a range of Commonwealth sports during their lunch times in Jubilee Week last term.

A group of Year 5 Sports Leaders applied to Northamptonshire Sport requesting funding for this event and secured £150 to purchase extra equipment which will now go towards lunchtime play. Thank you to all Sports Leaders and Teachers who were involved!

**WALK**  
**THIS MAY**

Last month we also celebrated active travel. **Over 150 children** took part in our Wheels Wednesday initiative and during the week 16<sup>th</sup>-20<sup>th</sup> May, **65%** of our children were telling us that they walked (or cycled) regularly to school.

Thank you to all of those who also posted a walk onto Google Classroom – these included trips to the Lake District to scavenger hunts and bike rides close to home; it has been terrific to see so many of you enjoying the outdoors.

All who took part had their name entered in a prize draw. Well done to George, Roque and Gemma - have fun playing with your prizes!

Our Sports Leaders will continue to look for ways to encourage active travel.
