**SCHOOL GAMES**

**County Cross Country Championships:** On Saturday, in the frost and fog, two of our Year 5 children qualified for the County Championships as a follow-on from the Town Championships. Both did brilliantly with a terrific sprint finish from Teyanna and a placing that has qualified Finn for the Regional Championships – Well done to both!

**Level 2 Games – Kurling:** Children from Years 2 and 5 have been practising their Kurling skills over the weeks for a competition held at Benham Sports Arena on Tuesday. At this extremely popular event, with over 20 schools involved in each competition, the teams battled it out with some very successful results. Congratulations to Year 5 who placed 3<sup>rd</sup> and Year 2 who came 1<sup>st</sup> and are now through to the County Championships in March.
