SCHOOL GAMES

Year 2 Chinese Workshop: Year 2 took part in a workshop where they learnt a traditional Chinese story and participated in some dancing with props.

Quadkids Athletics – Year 6: Competing in four activities as well as a relay, a group of Year 6s braved the heat and put their all into the event at Moulton College last week. I could not fault their attitude and support for each other, placing 6th out of 30 schools with some great team and individual results:

- Relay – 2nd fastest time across the competition
- Alexis – of the 300 competitors (boys and girls), placed 1st in 75m and standing long jump
- Edward – of the 300 competitors (boys and girls) placed 2nd in the howler throw

Cricket – Year 5: After much practise over the last few weeks, a group travelled to Old Northamptonians Cricket Club to take part in skills activities as well as playing against other schools. The improvements over the weeks were terrific with some great bowls, catches and fours although I should imagine their favourite part was enjoying the sprinklers afterwards – Well Done all!
