SCHOOL GAMES

National Walking Month: The month of May was all about our Walk This May! campaign, encouraging walking to school as well as contributing to the recommended **60 Active Minutes** per day for children. The last day of term ended with our Chair of Governors, Pete Burditt and his brother Tim, visiting our school after finishing their 55-mile walk around Northampton that week. They were welcomed by a tunnel of cheers and another walk around the field! The total on the day was over £1000 for Macmillan, if you would still like to donate, please visit: <https://www.justgiving.com/page/pete-burditt-1682715279872>.

WALK THIS MAY
WALK THIS MAY

Scootability – Year 2 & 3: We have had Team Rubicon visit us in Year 2 to teach them how to safely ride a scooter as well as navigate obstacle courses and Year 3 to help them practise their skateboard skills. Everyone got stuck in to the tasks with the knee pads a much needed item of safety wear!

Girls Tag Rugby Festival – Year 5: A group attended Franklin's Gardens this week, taking part in a Tag Rugby competition, touring the stadium, orienteering and team building challenges as well as watching some secondary school Touch Rugby. The girls had a great day, many being inspired to continue playing.
